September 2020

Welcome to the 2020 Autumn Selected Offers List. Over the recent years the huge changes in the Philatelic World continue with many traditional stamp shops and dealers closing down due to a variety of reasons ranging from high rents and rates, retirement, or the most permanent of all the death of the dealer. Added to this in recent times come the devastating effects of Covid 19 which have decimated the retail trade in all areas.

In early July I reached the decision to close both my shops in Cork city and move the stock to a secure warehouse. I will now operate on a mail order and internet basis but will also welcome callers by appointment at the warehouse where they will be able to go through the extensive selections that are available. This was not an easy decision to make but with social distancing restrictions added to the age of my client base it was the only one to reach. It does however bring to an end my 37 years retail presence in Cork City and I will certainly miss the daily interaction that a shop brings. I have arranged redirection on the address and the telephone number so both of these can be used into the future.

At present I have lists covering the following areas: Postal History, First Day Covers, GB used in Ireland, Political Labels, Low Value Overprints, High Value Overprints, Essays, Definitives, Booklets & Coils, Commemoratives, Airmails & Postage Dues, Railways, Revenues, Cinderella Labels. All of these lists are available by Email on request.

There is an order form on the inside back cover and as ever payment is accepted by Bank Transfer, Debit or Credit Cards, Cheque.
